VOL. LX: No. 1

REDWOOD CITY, CALIFORNIA SATURDAY, APRIL 3, 1920

ESTABLISHED 1859

MAY DAY COMMITTEE IS WORKING FOR SUCCESS

The general committee of the May Day celebration met Wednesday evening and decided upon many important questions. H. W. Lampkin, chairman of the amusement and concession committee was given permission to select from a number of applications a carnival company to be here for five days before and during the big celebration. Mr. Lampkin will at once communicate with the concern making the best offer.

The committee decided to award a number of cups for prizes. Three will be given to the aerial races. One to the best decorated automobile in the parade, one to the best drill military organization, one to the best Boy Scout organization, one of the person doing the best stunt in the parade and another to the organization making the best showing in the parade. The school children are also to be given a cup.

A letter was read from the Yuba City Legion saying that eight automobiles and one airplane would be here on the day of the celebration to take part in the festivities.

May day promises to be one of the biggest days in the history of Redwood City. Big crowds will be here from all parts of the bay counties.

An endeavor is now being made by the general committee to secure special round-trip rates from the Southern Pacific company for the big celebration.

Thousands of envelope stickers have also been gotten out and are being used by merchants, officials and others in their out-going mail. The celebration is already being talked about far and wide and with the other big feature advertising that is to be carried on by the publicity committee, there is little doubt but that Redwood City will see thousands upon thousands of visitors here on the big day.

The parade in the morning promises to be a big feature of the celebration. Responses have been received from quite a number of the lodges in which they indicate their intention of participating in the parade with a float or in some other way.

The Women's Club and the school

children will play an important part in the celebration, both in the parade in the morning and at the aviation field in the afternoon.

Mrs. James M. Eva has been appointed by Mrs. Lila M. Kirkpatrick, president of the Women's Club, chairman of the May pole dance, which is to take place at the aviation field with a large number of children participating.

AMERICAN LEGION HOLDS SMOKER

Redwood City Post, No. 105, American Legion, held its first smoker Tuesday night. It took place in the Odd Fellows hall and was a big success, over a hundred members being present, Redwood, Menlo Park, San Carlos, Woodside, La Honda, San Gregorio and Pescadero being well represented at the gathering.

An interesting program that was well carried out was arranged by the committee in charge. There was an orchestra in attendance that enlivened the occasion with jazz music during the evening. The players were Frank McAuliffe, Stanton Mullen and M. Thompson.

The committee that was responsible for the success of the Legion "smoker" consisted of Milton Marcus, chairman; Fred Zimmerman, William Bodirsky and George Mulcady.

MRS. CHARLES A. STONE TAKEN BY DEATH AT PALO ALTO

Many Redwood City friends were grieved to hear of the sad passing of Mrs. Edna Stone, wife of Charles A. Stone, at Palo Alto Thursday of last week. Mr. and Mrs. Stone were former residents here, the former being local Southern Pacific station agent for a number of years. They resided on Fulton street.

Mrs. Stone is survived by her husband and a three-weeks-old child. She was a native of Nevada City, California, and was thirty-nine years of age. She also leaves a father, J. G. Poore, of Saratoga, two brothers and one sister, G. E. Poore, J. H. Poore and Mrs. Gertrude P. Oviatt.

The funeral was held Saturday afternoon in San Jose, a number of friends from Redwood City attended.

LA HONDA RESORT KEEPER ARRESTED

Acting upon information furnished by three patients at the Base hospital, Menlo Park, Federal authorities from San Francisco, armed with a search warrant issued by Justice of the Peace Ray Griffin, visited Woodruff Inn, near La Honda Monday night, found over one hundred bottles of assorted liquors on the premises and took into custody Ben Curtis, the proprietor.

The three ex-soldiers, W. S. Shelly, T. W. Cashman and J. M. Morris strolled away from the hospital Saturday and were found intoxicated later in the day at Woodside. They were arrested by Constable Martin Walsh and Officers Clyde Wetherill and J. B. Logan and brought to this city. They told District Attorney Swart that they had purchased two bottles of whiskey at Woodruff Inn, paying \$15 a quart for the liquor, they said. A charge of disturbing the peace filed against the trio was dismissed by Judge Griffin Monday morning. The court immediately, however, issued a search warrant on the La Honda Inn.

The internal revenue officers were assisted in the search by Deputy Sheriff Wm. Hogan of this city.

MRS. DOUGHERTY DIED AT MOUNTAIN VIEW RECENTLY

Mrs. Dougherty, mother of George, Frank, Michael and James Dougherty, died at her home near Mountain View last Thursday at a ripe old age. The Dougherty family have resided in and about Menlo, Mayfield and Mountain View for over fifty years. Michael Dougherty preceded his wife to the grave many years ago. Mrs. Dougherty was a kindly woman and had many friends, and she is remembered by the old settlers of this and Santa Clara county. The Dougherty boys are well known farmers. The funeral takes place today from her late residence and thence to the Catholic church at Mountain View. Interment will be in Holy Cross cemetery, Menlo Park.

PIONEER OF PESCADERO PASSES AWAY

Rilsha Leighton, retired rancher of Pescadero and formerly postmaster and deputy county assessor there, died at his home about 2 o'clock Tuesday morning from the infirmities of old age. He was 84 years old.

Leighton had been a resident of Pescadero for about 46 years and was postmaster there for 16 or 17 years. He was a deputy in the fifth township for former County Assessor Clarence Hayward.

He is survived by three daughters, Misses Mary C. and Emily A. Leighton and Mrs. A. L. Crandall of Pescadero and two stepsons, C. L. Wood of San Diego and George F. Wood of San Francisco.

CASE TO BE TRIED BY OAKLAND JUDGE

The case of Mayzelle A. T. McCarthy against C. F. McCarthy and others will be tried here before Judge Koford of Oakland next Monday.

Walter H. Linforth will represent George H. Buck, Sullivan and Sullivan and Roche will appear for C. F. McCarthy and Archer Kincaid for himself and George W. Hall. Kirkbride and Gordon are to represent the Bank of Italy. Mrs. McCarthy alleges that the defendants conspired to have her sign a deed to certain property at San Mateo, which she claimed as her own. The property belonged to her and was some time ago bought by the Bank of Italy.

APPLIES FOR LETTERS

Mrs. Marjory T. Hilton has applied in the superior court for letters of administration upon the estate of her father, the late George W. Winter, who died at Redwood City on March 21, 1920. The estate is valued at \$8000 and consists of the family home valued at \$3000, a policy in the Penn Mutual Insurance company amounting to \$1000, cash in bank amounting to \$1400, cigar store and fixtures \$1500, thrift stamps \$100, automobile \$150. The heirs at law are Mrs. Winter, the surviving wife and the following children: Mrs. M. T. Hilton, George H. Winter, Mrs. Elizabeth Mansfield, Mrs. Hazel Mansfield and Allan N. Winter. Albert Mansfield is the attorney for petitioner.

ADDITIONAL LOCALS

James R. Kirkland, of the Palace Garage, left yesterday afternoon on a flying trip to his boyhood home in Toledo, Ohio, to visit his parents whom he has not seen for a number of years. Mr. Kirkland contemplates bringing back with him numerous innovations to the automobile industry. He is an expert in mechanical constructive work for machines. On his return Mr. Kirkland will make home and business permanent here. He is a member of the local chamber of commerce and a good Redwood booster. His firm, Kirkland and Hosler is popular here.

W. H. V. King has resigned his position as chief druggist for the Young Drug company on Broadway. Mr. King has been connected with the Pioneer Drug store, bought from A. D. Walsh five years ago, for 25 years and this will be his first really respite from labor in that time. Mr. King is accounted one of the most expert pharmacists in the state. He enjoys the friendship of a large circle of acquaintances in this section of the state. Mr. King will take a long rest before engaging in any business.

Eugene Sampson, cashier of the Bank of Loyalty, was here since last week visiting his parents, Mr. and Mrs. E. H. Sampson, and departed for the north on Wednesday. Mr. Sampson left Loyalty in a blinding snow storm and reached Redwood City where the sun was shining at its brightest. He naturally thinks there is no place like Redwood City.

Mr. and Mrs. L. B. Thomas of Alameda spent the week-end here as the guests of Mr. and Mrs. H. B. Gardner.

Donald W. Williams has returned home after a very pleasant visit of a week with his brother in Pasadena.

Mr. S. P. McCrea was in attendance at the State Convention of High School Principals which met at Asseolmar, near Pacific Grove, Tuesday, Wednesday and Thursday of this week.

Editor J. L. Brown of the Daly City Record brought his two children and the children of some of his neighbors down to see the county seat and the court house on Monday.

Chase Littlejohn was re-elected trustee of the Redwood City school district last Friday. E. H. Greeley of the Sequoia High School district was also returned to office. The highest vote in a number of years was registered showing that the people of the community are satisfied with present school conditions.

LITTLE INTEREST SHOWN IN MUNICIPAL ELECTION

Up to date very little interest is being taken in the municipal election which takes place on April 12. Very little campaigning is being done.

The incumbent trustees, Carl K. Mable, George W. McNulty and J. C. Jones are seeking re-election on their past record. By their works you shall know them. If this record is good, if they have acted wisely and economically and spent the taxpayers' money judiciously, they should be returned to office. On the contrary if these men have been unfaithful to their trust, have been extravagant with the people's money they should be defeated and retired to private life. The taxpayers know this record and it is put up to them to set.

The incumbents will be opposed by H. C. Tushen, J. F. Ford and L. F. Sericano.

Mr. Tushen is well-known and well-liked by the people of Redwood City. Both sides concede his election. He was formerly on the board of town trustees and made an enviable record as a public spirited official. His vote will be overwhelming.

John F. Ford deserves well at the hands of the people of Redwood City. He is a pioneer. His father, the late D. Ford, was one of the builders of the municipality, one of the progressive men who heaved the way for the present generation. It might be said that through the efforts of Mr. Ford and his compatriots we are now enjoying the fruits of their early labors in the up-building of this thriving municipality. The candidate for trustee is a graduate of the grammar school, has spent the greater portion of his life here, is progressive, has ability and having all the qualifications necessary to make a splendid official, he should be given every consideration by the taxpayer and the voters generally.

Mr. Sericano is not so well-known as the other candidates but he makes up for this drawback by his sincerity, activity and striking personality. He has been a resident of Redwood Highlands for the past ten years, is a past president of Rincon Parlor, San Francisco and is a trusted employee of the Pacific Gas and Electric company. His section of the city wants to have a representative on the board and the people there think they are entitled to one.

It may be said of Carl Mable that he made a splendid presiding officer of the board of town trustees. He has been fair and impartial and just to all.

WALTER R. BLOOM SOLD HIS LUMBER INTERESTS

Walter R. Bloom has sold his saw mill and timber claim near Pescadero to Edwin T. Peterson, an experienced lumberman. The deed to the property was filed for record yesterday. By the transfer Mr. Peterson secures 320 acres of timber land and the old saw mill and equipment formerly known as the Bloomquist property. The consideration, as indicated by the revenue stamps on the deed, was \$50,000.

SAVE PAPER FOR THE METHODIST CHURCH

Few people know what a tremendous quantity of paper is used daily in the United States. Five thousand tons are required each day and of that quantity much is carelessly destroyed. Production is not nearly equal to requirements, the shortage in November, December and January being 24,000 tons. Therefore it is up to everybody to save paper; don't burn up your old magazines and newspapers but take care of them and see that they are put to good use. Just now the ladies of the Methodist church are preparing to gather paper to be sold for the benefit of the church and everybody is urged to help the good cause. Those having papers which they wish called for, notify Mrs. L. B. Winger, 325 Washington street, phone 323-R or Mrs. L. C. Bernard, 425 Lincoln avenue, phone 352-J. The drive will be held between April 15th and 20th.

THE WEEK'S EVENTS IN LOCAL CIRCLES

All the decorations and designs for the Pacific Coast Automobile Exposition in the exposition auditorium now being held was the work of Mr. Dosssee, the local artist and painter. The creations by him were the talk of all San Francisco.

Mark McCann, the realty broker, has sold an half acre of land in Fair Oaks Acres, the Barney tract, to Miss Elizabeth Gale of this city. She intends to build on the property very soon.

George Elkerenkotter, one of the most skillful like Walton in San Mateo county, sought the waters of Woodruff creek near La Honda on Thursday, the opening day of the trout season. He caught a nice string of trout—fifty—the limit. They measured from eight to ten inches. Mr. Elkerenkotter says the fish are quite plentiful in that stream.

The Liberty Market on Main street was sold on Thursday to Ole Johnson and S. A. West, late clerk for Cassarotto and Merrill. Mr. Johnson has been in the butcher business at Woodside for a number of years and has had a large experience. Mrs. F. H. Thompson, the owner of the Market, will sail with her family to her old home in England on the steamer Cornia which leaves San Francisco on May 22. Mrs. Thompson expects to return to Redwood City September to make her home here.

Today is the last day to register for the May primaries. In order to accommodate those who may be unable to reach the county clerk's office in the day time Mrs. Nash has arranged to keep the office open until 9 o'clock this evening. The primary takes place on May 4. All should register.

The preliminary examination of H. L. Williams that was continued last week will be heard in Judge Griffin's court on next Monday at 2 o'clock Lyon and Jones charged with stealing a car at Halfmoon Bay last week will also have their preliminary examination this afternoon.

Thomas Tuite, proprietor of the Palace Meat Market on Main street, has sold his house and lot on Fulton street to Mrs. Lizzie Hogan.

The Republican county central committee will meet this afternoon in the supervisors' chambers at the court house at 2 o'clock. All the members of the committee are requested to be present as important business concerns the coming primaries in May will come before the meeting to be discussed.

A. E. Ritchey, of the Broadway Vulcanizing Works, this week received his commission as a captain of engineers in the U. S. army reserve. Mr. Ritchey served as a captain of engineers in the army during the war and was mustered out last November. He did not get over to France but spent his time in eastern camps. Mr. Ritchey was in charge of the expedition that brought 72 army trucks overland from the east last fall landing the trucks at the Presidio in perfect condition. He was highly praised for this feat.

"Happy" Bryant, the aviator, has severed his connection with the Redwood City Aviation field and has accepted the position of demonstrator at the Varney field in Reno, Nevada. Mr. Bryant is a daring and fearless bird man. He and his family will depart for Nevada in about two weeks.

Agents for the Hippodrome theatre of San Francisco were here during the week looking for a site for a large theatre building. The concern is to erect a \$100,000 theatre at Palo Alto and it is understood it is about to close negotiations for a similar play house at Burlingame. The one in Redwood City is not to be so large. The agents found some difficulty in finding a location here. They have two offers of sites. The company may make its decision in a short time. This concern should be given every encouragement by the property owners.

W. C. Jacobson, superintendent of Rodent Control Division, State Department of Agriculture of Sacra-

mento, will be here on April 5 and will remain one week. While here he will demonstrate the most approved methods of gopher control. Mr. Jacobson will make demonstrations on the coast side and here. The gopher of late years has been a menace to growing plants and vegetables. As many as possible should attend these demonstrations.

F. H. Roberson, father of S. B. Roberson, the tonsorial artist, left during the week for his former home in Kansas City, Missouri. Mr. Roberson came here last September. He is delighted with Redwood City and will come back next year.

L. B. Mason has sold his interest in Hotel Sequoia and will leave today accompanied by his charming wife for Lemon Grove, San Diego, where Mr. Mason has purchased a lemon orchard. Mr. and Mrs. Mason have made many friends while in Redwood City. They carry with them to the sunny south land the best wishes of the people of this city.

Simonizing your auto means having your machine in a fine condition and ready for use at any time, then too, the appearance is enhanced many fold. Holgren and Herring, of the Palace Garage on Main street, are the local men who do that work. They are experts. They have Simonized a number of cars in town and the owners are delighted with the work. The price is from \$5 to \$10. Every machine should be Simonized. It is a good investment.

The California State Railroad Commission will hear the application of the Pacific Gas and Electric company for the increase of its rates and charges for gas next Tuesday, April 6th. Commissioner Devlin will preside. It is more than likely that the application will be granted as the present rate does not give the stockholders a very large margin of profit or allow for needed expansion.

NOTICE

TO
TAXPAYERS
OF THE
Town of Redwood City
For the Year 1920

All Taxpayers are required by law to annually make and deliver to the Assessor a statement, under oath, setting forth, specifically all the real and personal property owned by such person, or in his possession, or under his control, at 12 o'clock meridian, on the

First Monday in March

Accordingly, you are requested to fill out the assessment blank in question and deliver the same at the office of the Assessor immediately making oath thereto.

The property of all persons who refuse or neglect to furnish such statement will be arbitrarily assessed; and such assessment will not be subject to equalization. Refusal to furnish the statement above required will subject the person so refusing to a fine of \$100.

Any information relating to the assessments will be furnished upon application at the Town Hall.

W. A. PRICE,
Assessor Town of Redwood City.

HIRAM W. JOHNSON

United States Senator and leading in the race for the Republican nomination for President.

HIRAM W. JOHNSON IS ENEMY OF CORRUPTION

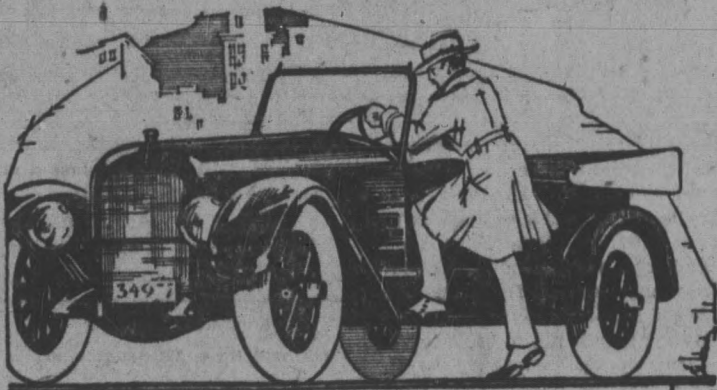

The fight Hiram W. Johnson is making in the Nation today for the Republican presidential nomination is practically an exact replica of his first entry into political life when he won in 1910 the Republican nomination for governor of California. Then he appealed directly to the people themselves. He fought corruption in government and exposed to public gaze the sinister influence and effect upon the commonwealth of those who would, through the power of money alone, debauch and exploit it.

He had no organization, no campaign seek, no paid army of workers. But he went to every hamlet and crossroads in the State and preached the faith that was in him. He promised constructive reforms and crusaded for the common humanitarian principles which were then novel in political campaigns.

As governor he kept every promise.

H. C. TUCHSEN SEEMS TO BE THE POPULAR CANDIDATE

The taxpayers and people of Redwood City are going to elect H. C. Tuchen town trustee by the biggest vote ever accorded a candidate for that position in the history of the municipality. They are going to show their appreciation of the great sacrifice he is making in becoming a candidate. He wants to serve the people and do his civic duty. Mr. Tuchen is a practicable man, one who will bring experience and practical knowledge to the board. Being a man of much native ability and tact he will be a useful member of the town trustees and will watch the taxpayers' interest at all times. It is a wholesome sign when men like Mr. Tuchen will consent to become a candidate for a position that has little compensation and often only abuse. Mr. Tuchen should receive an overwhelming vote.

A busy man's automobile—

may become shabby from sheer lack of time to have it done over. You need the car daily and you can hardly afford to be without it for the length of time ordinarily thought necessary for repainting.

If this is your problem, B-H Superior Automobile Enamel will solve it.

Paint your car right at home—let it dry while you sleep—drive it to town in the morning! B-H Superior Automobile Enamel dries thoroughly in from three to five hours. See your friends open their eyes at the glossy, durable finish—the new-looking appearance of a factory job.

SATURDAY, APRIL 3, 1920

ENTERING UPON OUR SIXTY-SECOND YEAR

With this issue the Times-Gazette begins its sixty-second year, the first issue of the paper having been published in April, 1859. It is still young and vigorous, publishing the news and giving its patrons the latest of interest. San Mateo county was small in population when it made its first appearance and Redwood City was a small but thriving village of a few hundred people. Editors have come and gone but the Times-Gazette goes on forever, growing in popularity year by year.

HIRAM JOHNSON HAS GOOD RECORD AS GOVERNOR

National supporters of Hiram W. Johnson for the Republican nomination for the presidency take pride with Californians in his State record as Governor, and a study of this record is said in a measure to be responsible for the enthusiastic support of his candidacy in the Middle Western States.

His record as a public administrator shows that he was "the people's man" from the beginning to the last day of his administration, his national supporters decide. They are distributing throughout the United States his California record and among the achievements of special interest which they are pointing out are:

The \$18,000,000 system of state roads, the most wonderful in the world.

The State Market Commission to promote co-operative marketing of farm products.

The commissions on rural credits and country life.

The Land Settlement measure enabling qualified young farmers to acquire land on long credit.

The Weights and Measures and Blue Sky laws.

The Water Commission and Irrigation District acts.

The reclamation of Sacramento River Swamp Lands.

The Alien Land law.

The Rural Co-operative Insurance.

The new tax system under which all the expenses of the State are paid by corporations and there is no direct State tax.

The vast expansion of the Agricultural Departments of the University.

The effective regulation of the rates and services of the railroads and other public service corporations.

These economic measures plus the political reforms and the social and humanitarian measures of the Johnson administration worked nothing less than revolution in the government and public life of California.

So remarkable was the record that when Theodore Roosevelt was shown a list of the measures of the first session of the Legislature under Johnson's administration, he said, "That is the most remarkable program of constructive legislation ever passed at a single session of any American legislature."

The State highways constructed during Johnson's administration are remarkable not merely as constituting the best roads in the United States, but for being built below the estimates and with less overhead charges than the construction department of a well built railroad. There was not even a suspicion of graft collusion or political favoritism in the whole undertaking.

When Johnson became Governor the railroads and public service corporations had been in the habit of controlling the State. He made the State control them. All the State taxes are assessed on them. There are no direct taxes in California except for local purposes. This was done not only without increasing the rates but with a saving of millions of dollars to consumers by lowered rates. Services as well as rates are State controlled, the corporations themselves are more prosperous and sounder than ever and the commission which undid their former dictatorship has nevertheless gained the absolute confidence of them all as well as of the people.

Johnson for President leaders throughout the United States are claiming that his California record alone should demonstrate that Senator Johnson must have the support of the thinking, every-day American people.

WHEREAS, a United States Senator is to be nominated and elected this year, and whereas the Republican Party of the State of California urge upon its party fealty to send to the United States Senate a Republican who is capable and able to carry out the principles announced by the Republican Party, now therefore be it

RESOLVED, by the Republican County Central Committee, of San Mateo County, now in session at Redwood City, hereby urge and do most earnestly request that the Honorable Samuel M. Shortridge, who has for thirty years past aided and assisted the Republican party by his great oratorical ability, and has in every campaign involving party issues stumped the State of California on behalf of his party, and we hereby pledge our support, and we, each of us, shall use every honorable means to secure his nomination and election.

Last Saturday in reply to this urgent appeal of the people of his home Mr. Shortridge formally announced his intention of entering the list of candidates for that office.

Mr. Shortridge has received many individual appeals from his friends in all sections of California to submit his name to the voters as a candidate to represent the State in the senate. So insistent have become these appeals that Mr. Shortridge has finally consented to become a candidate. His letter to the San Mateo Republicans, which voices his sentiments toward all his supporters throughout California, follows:

March 27, 1920.

Hon. John MacBain, Chairman, and Members of the San Mateo County Republican Central Committee—Gentlemen: I am in receipt of a copy of your resolution requesting and urging me to become a candidate for United States Senator and pledging yourselves to use every honorable means to secure my nomination.

Support Assured

I sincerely thank you, one and all, for your appreciative and approving words and gratefully acknowledge the honor you have done and would confer upon me.

Like requests and assurances of support come to me from all sections of our State, north and south. You and others are kind and thoughtful enough to refer to the many years I have championed Republican principles and policies. It is indeed true that long ago I took my stand beneath the banner of Abraham Lincoln and—in the words of Colonel E. D. Baker, "where in youth my feet were planted, there my manhood and my age shall march."

I have given your resolution and the expressed wishes of many Republicans throughout the State careful consideration and now beg to advise you and the people of California that I have decided to seek the Republican nomination for United States Senator.

Protection of Labor

Great problems involving the proper development and preservation of our natural resources, the judicious fostering and encouragement of our varied industries, the protection of American labor from disastrous competition with cheap alien labor whereby the American standard of life and living may be maintained political and industrial problems affecting the prosperity and liberty of our people, and perhaps the very existence of our country as a free and independent nation, are pressing upon us.

This is a constitutional republic, a representative form of government—a government of the people, by the people, and for the people—which, please God, may it ever be, not merely in theory, but in truth and fact. If in their wisdom the free men and free women of California nominate and elect me Senator of the United States, I shall regard myself as their representative and labor untiringly for the welfare of all the people of our State and Nation.

I have the honor to remain, your obedient servant,
SAMUEL M. SHORTIDGE.

Samuel M. Shortridge, the noted orator and lawyer and a resident of San Mateo county for many years, has consented to become a candidate for United States Senator. Last week the San Mateo County Republican Committee met and adopted the following resolution presented by D. E. O'Keefe:

WHEREAS, a United States Senator is to be nominated and elected this year, and whereas the Republican Party of the State of California urge upon its party fealty to send to the United States Senate a Republican who is capable and able to carry out the principles announced by the Republican Party, now therefore be it

RESOLVED, by the Republican County Central Committee, of San Mateo County, now in session at Redwood City, hereby urge and do most earnestly request that the Honorable Samuel M. Shortridge, who has for thirty years past aided and assisted the Republican party by his great oratorical ability, and has in every campaign involving party issues stumped the State of California on behalf of his party, and we hereby pledge our support, and we, each of us, shall use every honorable means to secure his nomination and election.

Last Saturday in reply to this urgent appeal of the people of his home Mr. Shortridge formally announced his intention of entering the list of candidates for that office.

Mr. Shortridge has received many individual appeals from his friends in all sections of California to submit his name to the voters as a candidate to represent the State in the senate. So insistent have become these appeals that Mr. Shortridge has finally consented to become a candidate. His letter to the San Mateo Republicans, which voices his sentiments toward all his supporters throughout California, follows:

March 27, 1920.

Hon. John MacBain, Chairman, and Members of the San Mateo County Republican Central Committee—Gentlemen: I am in receipt of a copy of your resolution requesting and urging me to become a candidate for United States Senator and pledging yourselves to use every honorable means to secure my nomination.

Support Assured

I sincerely thank you, one and all, for your appreciative and approving words and gratefully acknowledge the honor you have done and would confer upon me.

Like requests and assurances of support come to me from all sections of our State, north and south. Why Paint Your Car When You Can Have it Dry Cleaned in a Few Hours?

CALIFORNIA SIMONIZING STATION NO. 14

IS NOW LOCATED AT THE PALACE GARAGE
Simonizing is not a paint or a varnish, but a pure vegetable compound. When applied it provides a hard, dry velvet veneer or coating over the surface that protects and keeps rain, mud, dust and other destructive elements from reaching the finish.

Mud splashes and dust, when dry, can be wiped off the Simonizing without injury.

Simonized Surface Requires no Washing

Makes the Old Car Look New—Makes the New Car Stay New

Song of 10,000 Lines Being Written for India's Pariah Water Drawers

Missionaries encounter strange problems in their work of spreading the doctrine of Christianity. But generally they are able to work out a good solution. Doctor Walter F. Scudder, for years a missionary of the Dutch Reform Church in India, but now attached to the Foreign Survey of the Inter-church World Movement, tells of one curious problem well solved.

For centuries the Pariah water drawer of India has measured the number of buckets of water he draws by means of a song of 10,000 lines. Unable to count, much less to add or subtract, the water drawer had to be given some method of measurement. So this song was adopted. It runs:

"Three Hundred and Thirty Million Gods have I."
"Five Hundred Million Richi have I,"
and so on for 10,000 variations.

The employer desiring a certain number of buckets to be drawn, tells the water drawer to stop his song at such a verse or line. The drawer pulls up one bucket for each line of the song and stops at the appointed place. He will have exactly the number wanted.

Now that many of these humble laborers of India have been converted to Christianity, they are faced by the problem of how to count without chanting a song which no longer represents their religious belief. So the missionaries are writing a song of 10,000 lines dealing with the life and teachings of Christ to be substituted for the chant now used.

An East Indian Water Drawer at His Primitive Well Pump, Which Has Not Been Improved Since the Days of the Pharaohs
